

## EVS sample Questions

1. Only about \_\_\_\_\_ % of water is available as fresh surface water-rivers, lakes streams, and ground water fit to be used for human consumption and other uses.
  - a. 1
  - b. 2
  - c. 3
  - d. 4
  
2. The energy flow is always \_\_\_\_\_ in an ecosystem.
  - a. Unidirectional
  - b. Bidirectional
  - c. any direction
  - d. down directional
  
3. Considering the Earth's ecosystem, the plants are classified as \_\_\_\_\_
  - a. Autotrophs
  - b. heterotrophs
  - c. tertiary autotrophs
  - d. secondary autotrophs
  
4. resources is available in limited quantities are known as \_\_\_\_\_ -
  - a. inexhaustible
  - b. exhaustible
  - c. renewable
  - d. non renewable
  
5. \_\_\_\_\_ formed from the remains of the trees and ferns grew in swamps around 500 millions years ago.
  - a. Wind
  - b. natural gas
  - c. coal
  - d. oil
  
6. Mercury and lead are toxic elements, which causes
  - a. Noise Pollution
  - b. Air Pollution
  - c. Water Pollution
  - d. Land contamination

7. Which one of the following is a result of overpopulation?
  - a. Adequate availability of natural resources
  - b. Pressure on land and other renewable resources
  - c. Increasing land area under forest cover
  - d. Decrease in the shortage of water
  
8. What is the other name for infectious diseases?
  - a. Non-communicable diseases
  - b. Communicable diseases
  - c. Non-transmissible diseases
  - d. Heredity diseases
  
9. Population explosion has occurred in the last:
  - a. 500 years
  - b. 300 years
  - c. 700 years
  - d. 150 years
  
10. according to the census of India 2011 cities with 10 million and above population have been treated as \_\_\_\_\_
  - a. Cities
  - b. Metropolis
  - c. Mega cities
  - d. Metro cities
  
11. Human Population growth curve is a \_\_\_\_\_
  - a. S shaped curve
  - b. parabola curve
  - c. J shaped curve
  - d. Zig zag curve
  
12. The heating during the day time and lack of cooling wind effect due to high rise building develops what is known as \_\_\_\_\_
  - a. Urban Heat Island
  - b. Global Warming
  - c. Latent Heat
  - d. Relative Heat

13. \_\_\_\_\_ is an increase in the proportion of people living in urban areas compared to rural areas
- Industrialization
  - Urbanization
  - Migration
  - Globalization
14. Name the smallest continent \_\_\_\_\_
- Africa
  - Australia
  - Srilanka
  - Japan
  - e.
15. Sahara desert lies in \_\_\_\_\_
- India
  - Africa
  - South America
  - Eurasia
