A PROUD MOMENT FOR ROYALITES

OUR ALUMNAE, MAVIS TAK, A STUDENT OF TYBA, BATCH 2016 AND THROUGHOUT A TOPPER DURING HER THREE YEARS DEGREE PROGRAMME, CLEARED UPSC CIVIL SERVICES EXAMINATION AND BAGGED 386TH RANK. WE EXTEND OUR HEARTFELT FELICITATIONS ON HER BRILLIANT ACHIEVEMENT.

"Bagging a rank in Civil Services was not an easy task. But determination and hard work can enable anyone to achieve any goal. There were financial issues during the journey, as also many emotional pressures. I felt like giving up on many occasions, as I felt that maybe I'm not made for Civil Services. In such moments of darkness, my family stood with me as a support structure. I am also thankful to my teachers, especially Royal College, for contributing to the building of my personality." - Mavis Tak

The background is a dark blue gradient with a complex network of glowing light blue lines and dots, resembling a circuit board or data flow. The lines are of varying thickness and connect various points, some of which are small circles or squares. Some points are brightly lit, while others are dimmer. There are also some faint, larger symbols like arrows and brackets scattered throughout the design.

ACTIVITIES

The background is a dark blue gradient with a complex network of glowing light blue lines and dots, resembling a circuit board or data flow. The lines are interconnected, forming various shapes and paths. Some lines are thicker and more prominent, while others are thinner and more subtle. The dots are small, bright blue circles, some of which are arranged in clusters or patterns. The overall effect is a sense of digital connectivity and data processing.
